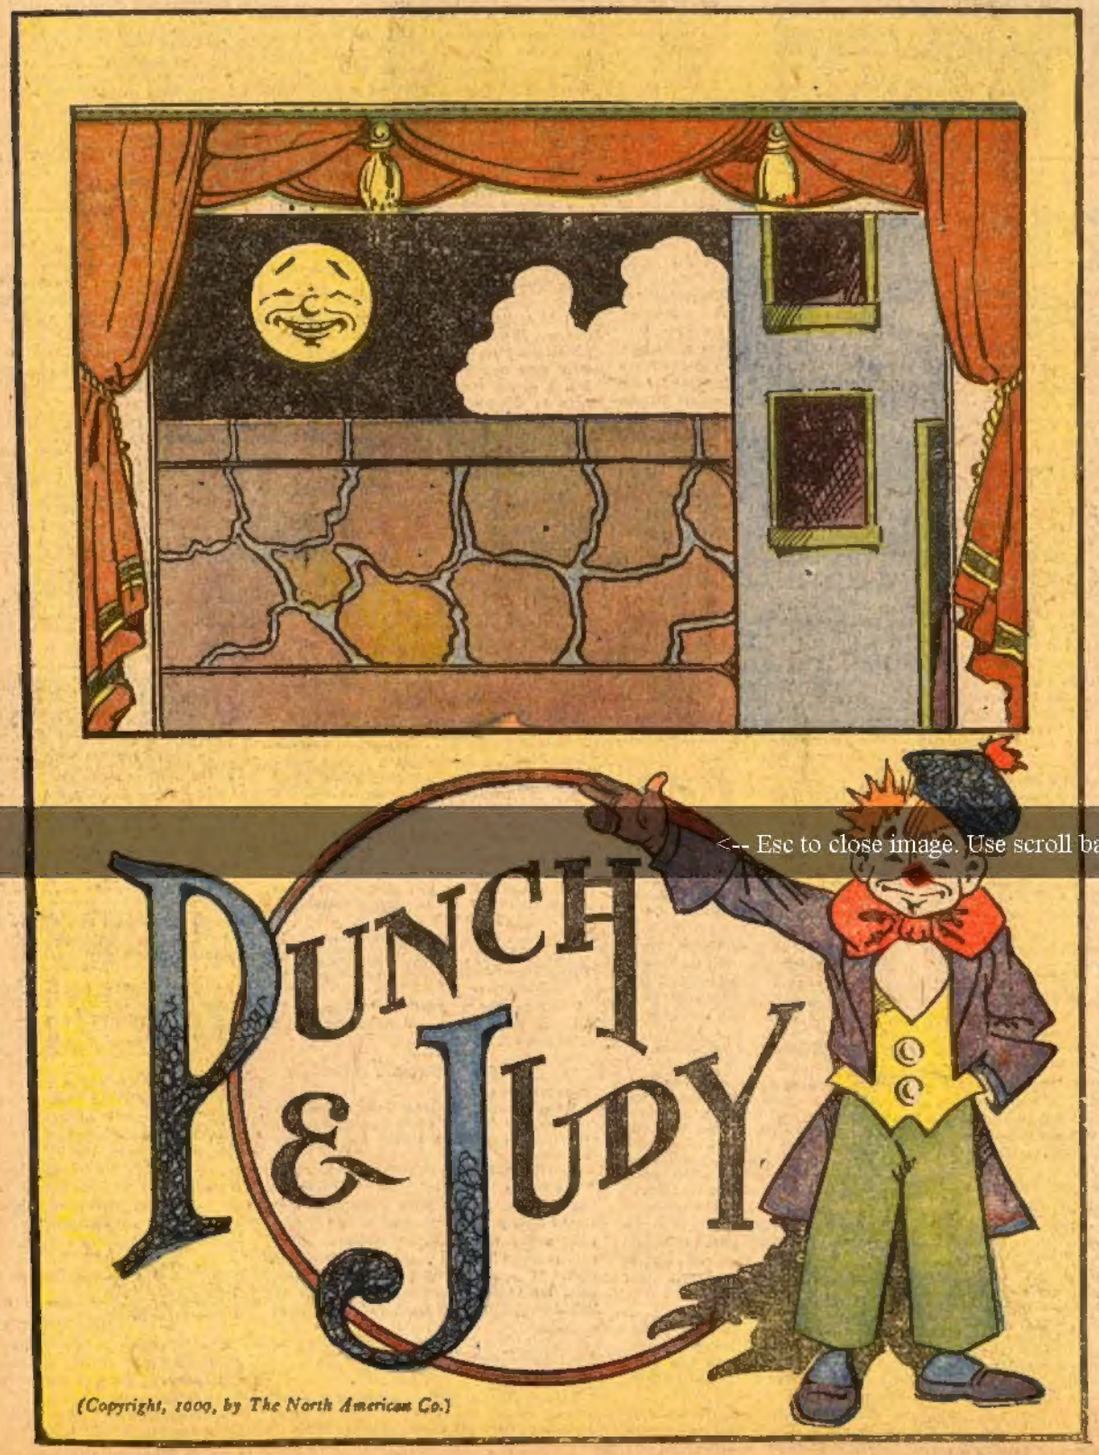
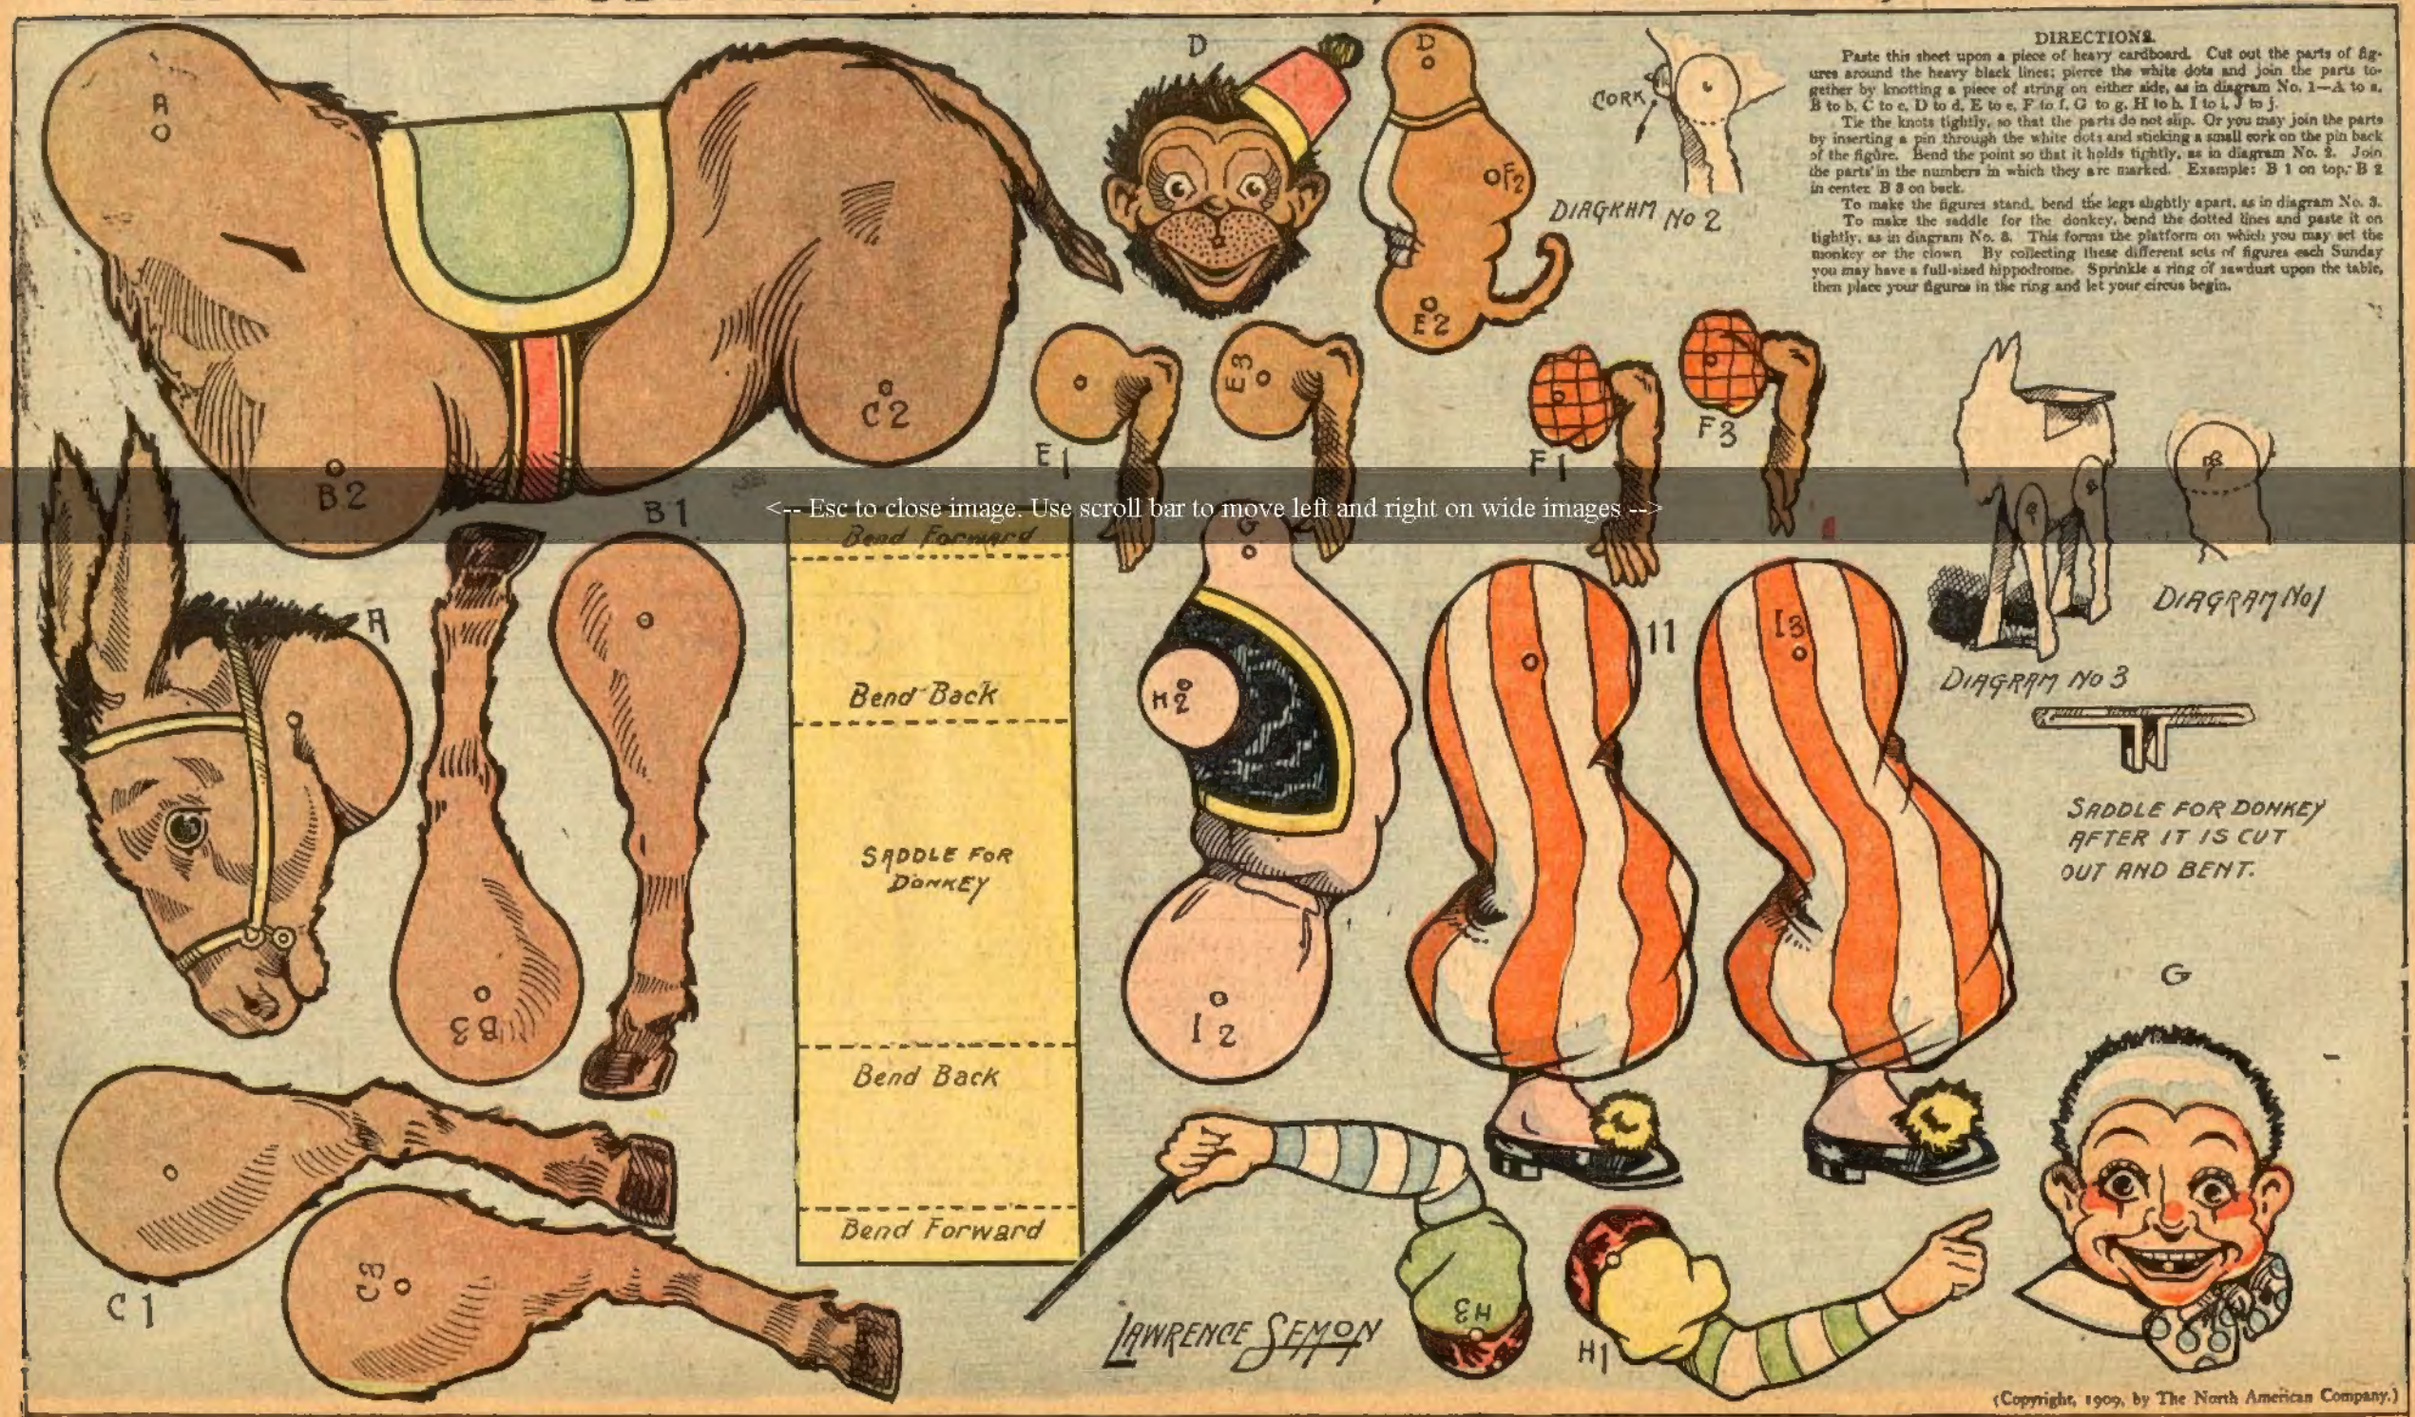
PUNCH AND JUDY---A WHOLE SHOW FOR THE CHILDREN



LAWRENCE & SEMON

FOR THE HIPPODROME---THE DONKEY, THE MONKEY, THE CLOWN



DIRECTIONS.
Paste this sheet upon a piece of heavy cardboard. Cut out the parts of figures around the heavy black lines; pierce the white dots and join the parts together by knotting a piece of string on either side, as in diagram No. 1—A to a, B to b, C to c, D to d, E to e, F to f, G to g, H to h, I to i, J to j.
Tie the knots tightly, so that the parts do not slip. Or you may join the parts by inserting a pin through the white dots and sticking a small cork on the pin back of the figure. Bend the point so that it holds tightly, as in diagram No. 2. Join the parts in the numbers in which they are marked. Example: B 1 on top, B 2 in center, B 3 on back.
To make the figures stand, bend the legs slightly apart, as in diagram No. 3.
To make the saddle for the donkey, bend the dotted lines and paste it on tightly, as in diagram No. 3. This forms the platform on which you may set the monkey or the clown. By collecting these different sets of figures each Sunday you may have a full-sized hippodrome. Sprinkle a ring of sawdust upon the table, then place your figures in the ring and let your circus begin.
